## Fee-for-Service Menu

---

### Introduction to SGLN's fee-for-service models

---

Fee-for-service models are implemented to generate funds that the South Gippsland Landcare Network will use to cover their direct costs.

The South Gippsland Landcare Network uses fee-for-service models and fees at a rate that are appropriate for its mission and the people it serves. The services listed in this menu, and the fees charged, are evaluated on an annual basis by the South Gippsland Landcare Network as per the **SGLN Fee-for-Service Policy and Procedure** to ensure they are still relevant and costed appropriately.

Requesting donations, requiring fees, and implementing membership dues are the fee-for-service models implemented in some form by the South Gippsland Landcare Network.

Should you have any questions relating to any of the services and charge out rates listed below, please contact the South Gippsland Landcare Network on T| 1300 194 262 or E| [sgln@landcare.net](mailto:sgln@landcare.net).

### **SGLN Events**

The South Gippsland Landcare Network request voluntary donations at South Gippsland Landcare Network events that are provided for free.

## Requested fees

---

Requested fees are donations requested for each service provided to offset the expense of each service to the organisation.

By donating to the South Gippsland Landcare Network for any of the services listed below; you have helped the South Gippsland Landcare Network with its vision; to ensure the integrity of land, water and biodiversity assets in South Gippsland through sustainable land use and management.

The services and costs outlined below are also intended to assist Landcare Groups, Schools, and other community groups in applying for grants. For example, a school applying for a Landcare Grant to undertake a tree planting activity can use the rates listed below to factor it into the grant budget.

Should the cost of any of the services listed below are covered by a concurrent grant held in agreement between the South Gippsland Landcare Network and an investor i.e. the State or Federal Government's, no charges will apply for that service or services to be delivered by the South Gippsland Landcare Network to a third party.
